The Lesson

In the midst of a storm, clouds will break, the sunlight streams on through; It may be just a smile or touch that someone shares with you.

But in that smile and in that touch, God makes His presence known to tell you as you walk this storm, You do not walk alone.

For storms are not forever things, in time they pass on by. Yet even when the rainbow comes, we still keep asking why.

Was there no other way to learn except by clouds and storm? For trust and faith were easy friends when we were safe and warm.

But God would ask for greater faith and hope that reassures. To teach that in the midst of storms, His constant love endures.

I'M FREE

Don't grieve for me, for now I'm free. I'm following the path God laid, you see. I took His hand when I heard him call. I turned around and left it all. I could not stay another day, to laugh, to love, to work or play. Tasks left undone must stay that way, I've found the peace on a sunny day.

If my parting has left a void, then fill it with remembered joys. A family shared, a laugh, a kiss. Oh yes, these things, I too, will miss.

Be not burdened with times of sorrow, I wish you the sunshine of tomorrow. My life's been full; I savored much, good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your hearts and peace to thee. God wanted me now; He set me free.

Heather, Your heart will be forever etched in ours. We will miss you our dear friend. Until we meet again at Heaven's Gate, we love you.
